“ *Newt and family,*

I am so sorry to learn of the loss of your wife and mom. Jean and I worked together at the Circuit Clerks Office for a short while. She always had a smile. I don't care what the situation might have been, she would end it on a high note and if her heart felt any different, you never knew it. I enjoyed working with her and getting to know her. Over the past few years life got in the way and our visits were few and far between, but I often thought about her. You will all be in my thoughts and prayers. She was loved by many and will be greatly missed.

*Miss Joyce,
Chris Gilliland here, I am her youngest son. First of all, let me say thank you so much for the kind words. I believe that those that knew her would surely corroborate those sentiments.
I thought I would let you know even though it's been quite some time, I remember who you are and how mom spoke well of you. Once again thank you for reaching out and I hope a blessed life for you.
Best of all

To Jeans Family,

I worked with Jean at a security business many years ago. We shared something a past experience in common immediately. I loved working with her. We became instant good buddies. I still think about the times we were trying to stay on a particular diet program and she ate all of our dessert for the day on her way to work (Skinny Cows). We laughed for days about that. I never succeeded in getting thin, but loved her and we had more fun together at work. I'm sure you all will miss her terribly. I just saw the obit, sorry I was too late to attend her service. My thoughts and prayers will be with you and yours in the days to come.
