“ Dave & Tim, I worked with you Dad for several years back in the 60's with JM. I remember all three of you as your Dad talked about you all the time. He was proud of his "boys". You have my deepest sympathy for the loss of your brother.

“ I was Jeff's neighbor and I have to say that he was an amazing person. I don't know what my Husband and I will do without him. He always looked out for us, whether it was checking our mail, trimming down a bush, or getting our trash cans from the street...he was always there. A great friend. He will be sadly missed!

I feel so blessed to have had Jeff as a neighbor and friend and have such fond memories of all of our childhood years together. I hope to be there in Cape either Friday or Saturday, until then please know how very sorry I am. Much love and prayers.

“ *Old days - in my mind and in my heart to stay Old days - darkened dreams of good times gone away Old days - days of love and feeling fancy free Old days - days of magic still so close to me"....*
