“ *I miss my buddy so much. I'll never forget how u almost always answered my phone call with some kind of joke to make me laugh. I will miss seeing you at the fair this yr and always having an ice cream cone together with the family. U were always such a kind man, always willing to help someone out when u could. I know u put on a brave front but u were really a softie at heart. I will miss u my friend. Please rest in peace buddy.*

“ *My love for my cousin when at the age of 12 my family went to see family in Cape and Jeff was a baby, I spent as much time as possible holding and playing with Jeff. From that visit on I knew what a sweet person he would be...and he never disappointed. I will miss my sweet cousin and really regret that we lived so far apart. Love and prayers for Rosie and kids.*
