“ We will be vacationing in Northern California this summer and plan to spend a couple of days in Sonoma. Would anyone be able to suggest a must-go-to winery? We are interested in a winery where the staff is fun, down to earth, (ok-not a snob winery) tours are available, a wonderful experience for people from the Midwest (Minnesota) !Thanks for your suggestions.

“ The pain of losing someone you love can be overwhelming; I too know that pain. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'wipe out every tear from our eyes, and death will be no more.' (Revelation 21:4) What a wonderful day that will be!

“ On behalf of myself and my sister Judy Smith Hobbs we are so sad to read and hear about Jennifer. We have not seen your family in several years but she was our cousin. Please know the family is in our prayers. We did not know about Aunt Margaret until several days afterwards. Pat Smith Taylor
