He changed my life. I came to Cape Girardeau with my 3 yr old daughter and \$10 in my pockets. I only had 2 weeks to find a place to live. My cousin introduced me to Jarred through Mary Jane's. This man literally save me and my daughter from being homeless and me losing her. He gave me a sense of hope a feeling of a home even helping me expand my skills in landscape. Ima miss bub and the numerous projects we worked on. All he wanted was a chill laid back life. God bless the family and friends who all knew him he was just a good guy.

“ We will always carry fun memories of time spent with Jerrett. From riding around in that obnoxious humvee he had, to trading (mostly) good natured insults with each other, or listening to him go on about how Belle was the greatest dog that ever lived. We don't ever remember a time hanging out together where he didn't make us laugh repeatedly. Rest in peace friend.

“ I have a lot of great memories that Jerrett has helped make that will be with me forever. I will never forget that stupid yet infectious laugh he had, the RV trips, cabin/fishing trips, vacations, SEMO games, and just simply hanging out on the patio. May you rest easy sir....S-E!!!! -Charles G.
