“ Jerry, my brother-in-law, was exceptionally supportive when my husband, David Lyons, his brother, became ill with Pancreatic Cancer. He worked as a caregiver in Health Facilities in Cape. Jerry assisted me with everything his brother needed during that time. A complaint never came from Jerry. Once David fell at 2am. Jerry got out the bed and came and picked him up and put him in bed. Thank you for the love and care u gave us both during that time. Farewell, rest in peace. I love you my brother-in-law. I pray you are inside those Heavenly Gates with no more worries. 🙏
