“ Jerry was my scoutmaster in the late 60s when I was in Troop 41. I think it was his first time as a scoutmaster. He was a great leader and inspired me throughout the rest of my time as a scout. I achieved my Eagle Scout rank when he was my scoutmaster. I served as a junior assistant scoutmaster to him when I was a senior in high school. I have thought a lot about him and the inspiration he was. I was sorry to hear that he had passed away. I am sorry I am late coming to this memory board. I hope the blessings of the Lord is upon his wife and family. Thank you Jerry for all your friend ship and guidance.

“ Five years ago when the National VFW added men to the “ladies” auxiliary and dropped the word ladies Jerry was the first to step into the Auxiliary under his sons name , he had no issues at all being the first and I will always be so proud of that moment - your smile and act of volunteerism will be so greatly missed- sandy Prichard

“ I remember a winter camping trip at trail of tears scout camp. That night it snowed so much we had to be evacuated. Jerry wanted to stay but thought it would be safer for everyone if we took the advice of the authorities. He was a great leader and his enthusiasm was contagious. Where ya headed? "Eagle, sir". He truly was a fisher of men. I still have his -Rountuit- and it has helped me remember who pushed me to attain Eagle Scout. He is greatly missed.

“ I am not sure that I ever saw Jerry that there wasn't a smile sometime from him. Through the years, I only saw him occasionally but each time it was like time and distance hadn't separated us. Betty, we certainly enjoyed the recent Sunday dinner at Cape Port with you & Jerry and other family members. Jerry's smile and friendly manner will be missed by all of us.

“ It is with deepest sympathy that I send this message. I worked with Jerry for many years at Town and Country. I really enjoyed our visits and the conversations we shared together. He was a true friend and a fine man. Your family is in my thoughts and prayers.

*“ Mr. H,
Thank you for all you did for our boys and so many others!!! You gave them rules and made them accountable. They wouldn't be the young men they are without your guidance. They knew 'where you headed?'. Eagle!!! You had a heart of gold!! Our prayers are with Betty and the rest of your family!!

“ *Mr. Hampton,*

Thank you for all of the positive influence you had on me during my years in Troop 5. You changed my life and I would not be the person I am today without you. Your work in Troop 5 positively effected so many boys. You challenged us, lent a teaching hand, and then allowed us to succeed. I am so grateful that I attended the Weblos' Weekend in February of 1994. It was that experience that gave me the burning desire to join Troop 5 and to become one of your Eagle Scouts.

My oldest son crosses over this weekend, joining a Troop that very much reminds me of our beloved Troop 5. You my friend, will be on my mind. May you rest in peace.

Sincerely,

*Eric Niswonger

“ *What a nice fellow! He came to see Dwight when he wasn't doing well, and visited me after Dwight's death. Very much appreciated. And, of course. how many times did we hear him say, "Where you headed?"*

“ Jerry had a smile a mile wide for everyone he met & communicated with; even after several years of not seeing you & you could see apprehension in his eyes, the smile was still there; I can't imagine the children whose lives were made so much better by having Jerry as their scout master. His is a name not soon forgotten for the community & the family. Too many go through life quietly & never leave a legacy; I'm thankful Jerry was NOT one of them. Prayers & most sincere condolences to the family.
