“ Sorry for your loss. During the years as regional superintendent, he was a good friend and mentor. I enjoyed working with his staff writing grants and developing technology programs in the region. He had a good sense of humor. Remember the good times. He will be truly missed.

“ Rosie and Family,
So sorry to hear about Jerry’s passing. He was always a respected person and educator. I’m certain a stranger he never met. His Regional Superintendent visits at Shawnee Unit 84 District Office was always a pleasure. I know he will be missed, but both of you have been able to enjoy many retirement years together. You have always been sweet and caring to me personally, when I worked at McClure Elementary and when you were and I’m pretty sure still is Angie’s “favorite teacher”.
