“ I want to express my sincere sympathy for the loss of your loved one and share the hope promised in the Bible. God has set a day in which he purposes to judge the inhabited earth in righteousness by a man whom he has appointed, and he has furnished a guarantee to all men in that he has resurrected him from the dead. (Acts 17:31) If your heart yearns to see a loved one again, study the Bible to make this resurrection hope your very own.

“ So sorry Maragret. Jerry was awesome. We first met when we were quite young. My cousin David Jordan lived across the alley and we would all play in those vacant lots around there. It didn't take much to make us happy and occupy a whole day back then. Now both David and Jerry are gone. It is sad to think of that, but the happy memories will last forever. May God bless you and continue to give you strength.
