“ *Debbie,
So sorry to read of the passing of your father. I remember the many times I spent the night at your house and the trip we made down south to an amusement park. Your father was always such a kind man and the doll houses were just beautiful. I remember how much he loved working on cars and what a great mechanic he was.*

I know we lost touch after high school. If I remember, I believe I read that you became an Optometrist; I became a CPA and left Cape right after college. My husband and I moved back to Cape about 6 years ago to help out with my parents who still live in the same house in Twin Lakes.

Again, my condolences to your mother, Tammy, you and your families.

Respectfully,

Deborah Bessette formerly Debbie Werner
