“ I remember this great man Jesse from Cracker Barrel. I work there for a long time and met him there. I will never forget, just about every single morning, Jesse would order one pancake and butter on top. When came in to eat, he made sure he shoke my hand and always asked how my day was going. When left again he shoke my hand and said have a great day and see you tomorrow One thing I never forget when I left Cracker Barrel, he always spoke to me and he never forgotten my name. I will be praying for the family and i will miss him.

Blessing to you all,
