“ I have numerous memories of Jewel, Emory, Bev, Pat and our family together swimming, at bar-b-ques and dances, and just visiting as friends did in the 70's. I'm glad she's not in pain, and re-joined with her beloved husband. My heart and prayers are with you, Bev and Pat. In Christ---Deboray

“ Pat - unsure if you remember me but I was with VFW Jr. Girls for several years and knew your mum very well. Actually my oldest daughter Patti Reed (August) was in Jr. girls with you and she is also related to you via the Smith side of your family. I just wanted you to know how sorry I was to read of your mum's crossing over. She was a great lady & a good friend. You are all in our prayers.

“ Jewell was one of our most dedicated volunteers. She spent countless hours doing whatever needed to be done to help our Veteran residents. I also enjoyed visiting and talking with her. During one of our conversations, she was telling me about the a house near Patton that had been referred to as the "bunny rabbit house" by her family. It turns out -- that was my grandfather's house! We eventually discovered that we are related, (distant cousins) which lead to even more long, enjoyable conversations..... I will miss that most of all! “ Dear Bev,Patti, and family, We hurt with you...but also rejoice that your mom is celebrating Christmas in heaven! I'm so glad that Mom and I were able to spend so much time with her in June. What stories the two sisters told and what a rich life they shared. You all will be in our thoughts and prayers and may your memories be a comfort to you in the days ahead. “ Bev and Pat, We so enjoyed your mom when we would see her at Christmas, and gosh she talked so much about the two of you, and all her grandchildren. We know she loved all of her volunteer work, and how wonderful is that a woman who spent a good part of her life helping others. But, we know, how much she loved your Dad, and how sad she was from his passing, and, now we know they are together again! We love you both very much, our thoughts and prayers are with all of you! Love Michael and Jacqui

“ *Bev and Patti -- I am so sorry to learn of your mother's death. I only found this out on Saturday after speaking to Judy Thrower. Please know that if I would have been contacted I would have personally delivered my condolences to you during the visitation.
