ME

“ To the Jinny Schenimann Family, I am so deeply sorry for your loss. I knew your mother very well about 30 years ago. My ex-husband (Danny Eaker) worked for your father at his auto body shop. We divorced in 1978 and it was your mother who helped me through it. She gave me millions of hugs, cried millions of tears with me, and we drank hundreds of cups of coffee together. She was a very beautiful woman with a heart to match. I am so saddened to learn of her passing. She will be loved and missed by all who were gracious enough to have known her. Our Heavenly Father has reclaimed one of His most precious diamonds. If You Could See Me Now If you could see me now you wouldn't shed a tear. Though you may not understand why I'm no longer there. Remember my spirit that is the real me because I'm still very much alive, I've just been set free, Oh, if you could only see! I have beheld our Father's face and I've touched my Savior's Hand. All of Heaven's Angels rejoiced as I entered the promised Land. Beyond the gates of pearl I've walked on the golden streets. I've touched the walls of Jasper and dipped my foot in the Crystal sea. The beauty is beyond words and nothing could compare, I've even seen your Mansion and someday I'll meet you there. Let Jesus be your guide because His Word will show you the way! So please don't cry because we will meet again someday. With my most sincere sympathy, Mary Kathryn Eaker-Porter

“ Kristy - I'm so sorry to hear about your mom. She was always cool with letting us spend the night out in the camper, play video games for hours on end, etc. I have so many fond memories of hanging out at your house over the years. I know how painful it is to lose a parent and will keep you and all of your family in my prayers.

“ Hello Kim and all, I am so sorry to hear of the loss of your mom. I can only imagine the difficult time you are all going through right now. My only guidance for you is a reminder to hold on tight to all of your memories for comfort, lean on your friends and family for strength, and of course, always remember how much you are cared about by all of your friends and family near and far both in touch and not in touch, including me. As I mention memories, I can't help but reflect on all the great times I had at your house talking, joking and laughing about this that and the other. I certainly will never forget all of those times spent in your moms living room and kitchen. Again, I am so sorry for your loss and please know my thoughts are with you and your families. You know that you all now have another angel watching over you and everyone you care about. Sincerest Sympathy, Doug Reynolds 9528 Old Bomhomme Rd. “ Jinny has been my neighbor and friend for over twenty years. I will miss her dearly, but will always have many, many memories of fun times, talks, family celebrations, and laughs. Jinny was a ♦one of a kind♦ person and I am so blessed to have had her in my life! There is a song out now, by Michael West, that I am sure was written with words for me to say to Jinny♦.. Don't be mad if I cry It just hurts so bad sometimes 'Cause everyday it's sinking in And I have to say goodbye all over again You know I bet it feels good to have the weight of this world off your shoulders now I'm dreaming of the day when I'm finally there with you Save a place for me Save a place for me I'll be there soon I'll be there soon Save a place for me Save some grace for me I'll be there soon I'll be there soon I have asked the question why But I guess the answer's for another time So instead I'll pray with every tear And be thankful for the time I had you here And I wanna live my life just like you did Make the most of my time just like you did And I wanna make my home up in the sky Just like you did Oh, but until I get there Until I get there Jinny, it is not goodbye, it is see you later!!! We all love you!

“ My sincerest sympathy for your loss. "Mrs. Schenimann" holds a very special place in memories from my childhood. It was a pleasure to live on Landgraf near her for so many years. I will always remember the great pride she took in her yard and how wonderful it always looked.
