“ Karen, I wish there was something that I could say that would take away some of your pain, but I know better. Your mum was such a sweet lady and I so enjoyed seeing her when she came to town to visit. Please know that my thoughts are with you and your family at this time.

“ What I am feeling right now is hard to put into words. Joan was my big sister and I will miss her greatly. I will miss our phone calls, where we would spend hours nattering about anything and everything, putting the world to right. Karen, Don and boys we share in your grief and send you all our love. Jenny & Neil xxx
