“ I do not remember a specific memory of Joe Bob, but in my mind, he was always there. We went to elementary school together. It has been said by many of the '88 graduates, that we our graduating class is like family or like a unit. It does feel like that. Some of us were good friends with Joe Bob, and others just knew him as a kind, easy going human who seemed to just love everyone. His passing is felt by so many. May he be at peace. May his loved ones also find comfort and peace.
