“ Kay and family, I am so sorry for your loss of Joe David. I'll always remember how welcome you all made Tyke and I feel when we went to the lake with you when your kids were little. And here recently, I got to know Joe David as one of the top soccer referees in the area. I knew when I saw that he was going to be an official at one of our games, that it would be a good, clean game. It was nice to see him refing right along with Jason and sometimes Mike and Shelly - making it a family affair. We will miss him.

“ Sorry I couldn't come and pay my respects in person. I always enjoyed hanging out with Joe David when I came to Cape to ref. He and I roomed together at Cup years ago and we made quite a pair. He was very good ref and always kept me amused with his humor. I hope I was able to do the same for him.

“ On behalf of the Central Missouri Soccer Referees Association, please accept our sympathy. The Show-Me State Games soccer tournament won't be the same without J.D. In the hottest, most humid, soccer tournament of the year, J.D. never failed to smile through it all and always volunteered for more -- no matter how tired he was. I also got to work with him at the SEMO Soccer Club tournament the last couple of years in April, and it was clear how very proud he was of Jason, Jaymie, and his grandkids. All of the members of the CMSRA will miss him greatly.

“ Very sorry for your loss. I got to work the soccer fields with Joe David at the recreational & select soccer tournaments and some high school games. Joe David was a great role model for being a referee (and an even better role model for being an honest, hard working, quality of character man). Those qualities are rare to find in a man and Joe will be sorely missed by his colleagues and loved ones.
