“ Linda and family: We were both shocked to get this sad news up here in Canada. Please accept our deepest sympathy. Joe was one of the best dockside buddies I ever had, the hours spent with him each of us sitting on our golf carts down by the boats discussing and solving world problems from a retired seniors prospective. I will miss him greatly and am sorry Covid and the restrictions from it kept us from going down this year and deprived me of some good time with Joe. I learned a lot about salt water fishing from him. His good nature and his helpfulness were a fine example to others. We lost a good fishing friend and a great man. We are very sorry.
