“ Just want to share a comment about my nephew John. Even though the last time I saw you was at Grandpa Lane's funeral in October, what a pleasure it was to see how you had turned your life around and how much LOVE you had for GOD and your LIFE. Even though it took awhile for you to open your mind and Heart to Our LORD, I believe you finally realized you had been forgiven for things in your past. You leave a grieving family but we shall see you once again on Happier terms. I Love You sweet nephew and your beautiful smile will shine on in my memory till we meet again. God Bless You, Aunt Corann

“ It seems so unreal to me to be signing a guest book for my brothers obituary. I cant believe this is really happening. John, my heart aches, my stomach hurts and I cant get this lump out of my throat. A piece of me is forever gone and I will never fully recover from this. Thanks for being my big brother, I will cherish your memory every day. I will keep in my heart always. Dont worry about the kids, I will watch out for them like you would want me to do. I will talk about you to your grandkids so much that they will know you. and I will see your great big beautiful smile again someday. love your sis Angie
