“ Thank you Ford & Sons for the kindness and caring you gave me and my family, the entire staff did a wonderful job, you gave us great comfort during a very difficult time, I appreciate the compassion that was shown to me and my family, and the dignity and professionalism throughout the entire process.

My son was a gentle and kind man, he was the most polite person you'd ever meet, he deeply loved his son Jordan and took great care of him, he was very patient with Jordan (Jordan is autistic), and he made sure Jordan received the best care possible, he was a great son and a great father, I loved him very much and will miss him terribly, I have comfort in knowing he is in his heavenly home and also in the hearts of his family that loved him so much.

Thank you again Ford & Sons for helping us through the most difficult time of our lives, we will always remember your kindness.

Sincerely,

John T. Cobb

“ My dear son John Edward,

There is no son who was sweeter and more loving than you. I don't know how I can ever go on without you. I love you with every breathe I take. My heart is truly broken and I am lost without you. But Ron and I have Jordan to raise now and continue your wonderful job that you did as his daddy. I pray God gives us the strength to do the great job that you did son. My precious baby forever until we meet again my love. Momma

“ I am deeply saddened to hear of John's passing. I worked at CVS and now at John's Pharmacy and have always found it a joy to help John and support him and his son Jordan with their medical needs as much as possible. He was always smiling and very kind when he called or came by. My heart is with Jordan during this difficult time.
