“ We are sorry for your loss. You all are in our thoughts and have our sympathy. Johnny was a special man. We remember the time that him and Vera Jean were kind enough to let us bring my sister and her family out to visit them. They had come to visit us from their home in Minnesota. Johnny and Vera Jean showed them (us) around their place; the barn, cabin, tractors, steam engines, old vehicles. We have pictures of all of us enjoying our time there that day (many years ago). And that was the way they were. Always kind and willing to share their knowledge with others. Your mom and dad were special that way and fun to be around.

We miss them and are grateful we knew them.

Love,

Tim and Cindy Huey

“ I am sorry for your loss. I enjoyed his stories about antique tractors and the old timers around Egypt Mills. He was one of a kind. Rest in peace John.
