“ Yes, Daryl's physical education teacher from Washington Elementary is still living in P.C. You may not remember me but I remember you and your parents quite well. Students like I had those years are still strong in my memory. Please accept my condolences. Your parents were so good to me and our school for many years. I can't remember the last time I visited with Marilyn. I've been retired since 1987. The only teacher from Washington school days would be Mary Sunshine Cogman, your music teacher. I am sorry to report all the rest are "at rest". Sincerely, Almeda Crook
