“ John worked for me for two years in support of the Guard and I've known him for about 15 years. He was one of the most genuine people I can ever recall knowing. What you saw was exactly what you got. He touched many lives and will be greatly missed.

“ I am so sorry for your Loss. I worked with Mr. Miller in recruiting. He was always such a joy to be around, he was a straight shooter, but always put a comical spin on his criticism. He would always tell stories about his family 💎 you could tell he held all of you in the highest regard. He will be missed 💎 I always looked forward to his visits.
