“ John and I were both stationed together aboard the USS Prairie AD-15 in Long Beach in the Ooperations Department. He was quiet in his demeanor but his character spoke volumes of the person he was. Easy going he was a pleasure to know, work with and become friends with while aboard and after he ended up in Oxnard. I shared with him that I had been born there and we'd take on Facebook about his live for his dog and he truly had a heart of hold. He will surely be missed and I send my prayers and condolences over the loss of such a great man and my Shipmate.

“ My condolences to John's family sending prayers. I had the pleasure to work with John at Ventura County Sheriff's Office Communication Center , in Ventura California. John was my second trainer as a 911 dispatcher, he was such a pleasure to work with there was nothing that ruffled his feathers nothing bothered him. He didn't get involved with work gossip or talked bad about anyone in the room. Oh boy did he have stories to share about his time in the military. I will miss you may you rest in peace my friend. Until we meet again. God bless Vogel family. Jose Alvarado, Fillmore Calif.
