“ I would just like the entire Weimer family to know that John will never be forgotten. He has touched so very many lives in his short time on this Earth. The world is just a bit smaller today and may the good Lord smile upon his face. I never had the pleasure of meeting John face-to-face, but would just like to say "goodbye my friend" and thank-you. “ My thought are with you during this difficult time. I never met John face-to-face, but knew him through the MG Experience and Facebook. He was a tremendous individual who was always willing to help out another enthusiast out with car troubles, most often saving that individual from traveling down the wrong path during a repair. John's humour and wit was second to none. I stole many jokes and cartoons from him. I'm sorry that I am unable to attend services today; know that I am thinking about all of you. My sympathies. Rest in peace, John.

“ John was a wonderful contributor with wit and insight in the community of MG sports cars. I always admired his enthusiasm and his understanding of the mechanics of these wonderful cars, and he was always willing to share his knowledge about them and about life. I did not know him personally, but he seemed like a down-to-earth gentleman in every respect.
