“ My deepest sympathies in the loss of your dear loved one. While a few words offer peace during a difficult time ,perhaps the words expressed at Revelation 21:3,4 provide you with both comfort and hope along with the realization that soon tragedies such as this will one day be a thing of the past.

“ Our family just heard about Josh today. Our thoughts and prayers are with you. We all met Josh when Brice was sick in Memphis and Josh brought Clarence to Memphis to see him before he passed away. He was so kind with a lot of love for his grandfather Clarence. Clarence even mentioned all that Josh did for him and he sure did appreciate him. Just know that we are all so sorry for your tragic loss.

“ Kea, we are so sorry for you loss, Josh was a wonderful hard working person. Danny has known his grandfather and family for years and had even had Josh pull in him with the wrecker. May God give you and all the family strength during this time. You all are in our thoughts and prayers.

“ Kea and family, Angie and I are so sorry for your loss. Working with Josh the time that I did I know he was a person with a big heart, one of those people that was always willing to help out when someone needed it. He helped me on several occasions, some recently. I know that those traits will carry on in your beautiful children. I pray for God to give you strength and comfort during this terrible time.

“ Family of Joshua, I am sending my prayers to your family in this sad time of your lives. I know you probably don't remember who I am "Scottie" and Eddie but I taught the boys at "A Step At A Time Daycare" many years ago, I was Miss Rhonda and I worked the afternoons to closing time. You boys were always so special, my aunt Donna Hindman was the cook there at the time and she called and told me about this tragedy. She thought a lot of you boys too. My prayers are to the family and all involved may God help you through the days ahead. Take care. Sincerely, Rhonda Painton (preschool teacher from many years ago)
