*Judy and I were friends for over 45 yrs. Never have I ever or will I ever find a friend that will measure up to Judy! Always the encourager, generous in nature and always available to reach and talk to no matter the time of day or night. Never did she condemn or judge, we just listened to each other and our woes at the moment! She was just the perfect friend, confidant without a doubt! To say I will miss her cannot fully express the void I will feel moving forward without her to console and inspire me! Thank You Lord for her friendship!*
