“ Dear Tom and Family, Judy was such a lovely woman with a beautiful heart. She was one of the dearest ladies I've ever known- so loving and gentle. We are all richer to have had her in our lives. Our hearts ache for your loss. Remember the good times and what a wonderful person she really was to so many. She definitely made a warm, wonderful difference in many lives and lives on in all of our memories. God bless all of you in your time of great sorrow, but **REJOICE** in the wonderful human being that she was! Our thoughts and prayers are truly with you at this difficult time. Jeffry and Jack Hawk

“ Tom, and children my heart goes out to you. I have know you all since 1972. Though over time I didn't see you all as much you held a special place in my heart. When I did see Judy we would spend time just standing in the asile of a store and catching up sometimes talking for an hour. Tom the funeral service was beautiful. Even in all of your saddness you found a little humor at one point in the service. There will never be another Judy and her family was the most important thing to her. And yes we all know Tom. LOL. I am here if you ever need to talk. May God be with you as you walk through this valley. God on the mountain is still God in the valley when things go wrong He'll make them right. The God of the good times is still God in the bad times. The God of the day is still God in the night. We talk of faith when we're high on the mountain talk comes so easy when life is at is best. But when we are down in the valley trials, and temptations don't loose faith child for you're never alone. For the God of the mountain is stil God in the valley, for the God of the day is still God in the night.
