“ As volunteers with the Cape Senior Center, Judy was always one of our favorites to deliver meals to. Even though we knew she was in a great deal of pain, she always had a smile full of genuine warmth and caring. Just in the 3 years we delivered to her, we could tell she had a wonderful sense of humor and love of life and her family. We will miss her a great deal, and our hearts are full of sympathy and care for her family and friends.
