“ *Ralph, Carol, David, Jean. Your mom was so special to me and our family. The very best neighbor a young mother could have. I cannot count the times I went to her for advise on one of the kids and she was always patient and kind in helping me. She will be missed. I have such good memories of her and her guidance for me to become a good mother like her. Always enjoyed talking to her at St. Frances when I worked in Same Day and she was in the waiting room, again helping people in their time of need. God Bless all of you.*

“ I loved Mrs. Flori, she was so easy to talk to and kind. A strong Christian woman. I enjoyed being in our Chapel Sowers group with her, and seeing her latest projects, she was so encouraging. Working with her in Awana, or VBS, or any church function was fun if she was in your group. I think that was her true gift, a listening ear, and an encouraging heart. She reminded me of my own Mom, and I can think of no higher compliment, she is missed.
