“ *Well do I remember Mrs. Beard--a favorite teacher of mine. I enjoyed her classes immensely and partly due to her inspiration i majored in music in college and became a music teacher myself. At my request, she was my student teaching supervisor. God bless you, her friends and family members--I am sorry for your loss.*

“ Aunt Judy, You are such a joy and a blessing, -one of my favorite people ever. Your happiness and goodness made the world a better place. Summers visiting the Beard family are the most magical memories of my lifetime and you were the biggest part of that. You and Uncle Bill and the family (the way it's meant to be...you raised your boys to be such good people and were so supportive and nurturing of your grandkids), -the Sunday Beard family convoys to the farm, fishing at the pond, the picnics you packed, playing Pennies, ice cream at DQ, shopping in old downtown Cape (best memories of finding your beloved Grasshoppers in the right size), Beard's Sports Shop, and all of the family Holidays and celebrations, -the wholesome happy, innocent life. And you cooked the best meals and were so proud of the beautiful house you kept! Such a pure, good happy soul, full of such positive energy, -never a bad or a mean-spirited thing to say about anyone, -ever. Such a beautiful smile and laughter God shared with us! My Grandmother and I love(d) and miss you so much.
