“ So sorry to hear of June's passing. My sincere condolences go out to her entire family. My Grandmother, Arlene Garrott, had worked with Jon and Jamie so many many years ago. I remember June from Regional Primary Care. I hated going to the Dr. but when you saw June's sweet smiling face you naturally felt better. I had not seen her in years but I will always remember how incredibly kind she was.

“ June and I worked together at Family Physicians Group in the mid 70s. June was a wonderful person. She was willing to help anyone no matter what they needed. It was always very proud of her family. She never meet a stranger and it was easy to be her friend. I never told her, but I always thought - if anyone deserves to go to heaven, it's June. I am sorry for your (and the worlds) loss.
