“ My heart is breaking for you and your family. Kalyn was a special student and I can't imagine her gone. She was part of the last class I taught before retiring. When I was diagnosed with breast cancer that year and shared it with my 5th grade class, Robyn told me that Kalyn came in that day after school and said, "We have to put Mrs. Robert on the prayer list at church!" Robyn, you have no idea what that meant to me, and I will always remember Kalyn for this. I know she was taught about Jesus, and I'm sure she is heaven right now. I have been praying for you daily, but there are just no words.....

“ *Such a loss never seems right, or fair.
And from our limited view point, it isn't.
But, God makes these choices, not us.
And so I turn my heart to Him, our creator.
I ask that He grant us understanding and peace.
I ask for His comfort and until then, I will grieve.*
