“ I am still in shock and can't believe you are gone. I'm so grateful we got to spend some time together when I was in Cape visiting a few years ago. My parents and I lived next to the Cotners out in the country for 4 years but it might has well been 40. We loved them all and got together often. My fondest memories of Karen were when she and I would ride our horses together. She'd go anytime I wanted to. My other fondest memory is that for my birthday, she gave me my first ever rock album called Heartbreaker by Pat Benatar. I had never heard of her before but I never forgot that. You will be missed my dear friend. Rest in peace.
