“ I'm so sorry Karen passed away. I've known her since we were small kids in Sunday School together at Centenary Methodist Church. Our mothers were friends. We drifted apart as we grew up but renewed our friendship at our high school reunions - one of which began the day she died. So sad. She very much wanted to attend this one - 64 years after we graduated. Anita Allen Klasing

“ I have known and loved Karen for 54 years. She was my friend, met my brother, and became my sister for life. She was always loving, generous, and compassionate. She has been a wonderful wife and mother and a blessing as another sister. Her faith sustained her through good times and rough. Her faith holds her now in the arms of our Lord. Karen, I miss our late evening chats but want you to know we will all do our best to love and care for Gerald the way you would want. Be at peace, dear sister. You will never be forgotten!
