“ My dear friend, I will always love you like a sister, there are no words on how much you will be missed. We truly went through a life time together. God Speed. And Bless Each and Every One in Your Family. Give them Strength to Cope with this loss. And the blessing of remembering the wonderful times you gave to everyone. You were the strongest person I knew. And enjoyed LIFE. I know you are dancing now. And better off than us here on earth:)
