“ I have so many fond memories of Kathy that I will cherish forever. She was the big sister and my siblings and I looked up to her. She made herself available for all of us at anytime. She opened her home to us when we needed a place to stay. She loved her family and so proud of her children and grandchildren. I am so blessed to have had her as my sister and friend.

“ She was such a blessing to our family and the very best person my brother could have ever married. From the very first day James brought her home she became part of the family. She was small in stature but don't let her size fool you she was one tough little cookie when she needed to be. Kathy was the sweetest, kindest and most loving person you could ever meet. The world has lost a wonderful person and God has gained a beautiful ANGEL. I know she is now standing beside my brother and they will walk hand in hand through eternity. Rest in peace my dear sweet lady you will be forever more missed.
