“ My thoughts & prayers are with you at this time. Kay was a very special person & she will be missed by many. I regret that I could not be there to pay my respects in person. We had been trying to find a time to get together & catch up but it wasn't to be. She & your grandmother Louise were almost like family to me, I loved them both. I will miss her.

“ Tammy, Taylor and Trenton: I was so sorry to learn of Kay's death. I met Kay when we worked in the same office at Sears when their new store opened in the 60's. I remember our daily coffee breaks together and her talking about her little girls. I moved after one year but we reconnected on Facebook a year or so ago. She always seemed so vibrant and full of life- a beautiful lady! My prayers are with her family and loved ones!
