“ *Bill & Family, I am so very sorry for your loss. Words can never express how close you are to me and how saddened I am for you. I know from the day she was born how deeply she was loved by all of you. You will always be close to me no matter how many miles away. I am always thinking of the good times we all shared with her. You and your family are always in our thoughts and prayers. If you need anything, you know you can count on me. I've lost your number, so please give me a call.*

“ Uncle Bill, Tammy, Bill Jr. and family; I am so sorry for your loss. Kaylie was a beautiful young woman and will be missed profoundly. I hope you can find comfort knowing that she is now in the loving arms of Jesus; no longer in pain and flying around in her angel wings watching over all of you. I wish I could have made it down there, but unfortunately it was just not meant to be. I am sending my love along with prayers that you will be comforted by God and your families. I love you all very much.
