“ *mr.lamar was easily one of THE BEST teachers i’ve ever come across!! i looked foward to going to his class everyday because not only did i know that i would learn something, but i also knew he would put his own spin on the lesson and make it fun for us to learn. you could tell he genuinely cared about each of his students and wanted the best for all of us, i’m so grateful to have had him as my teacher! my heart goes out to his family, he will truly be missed!!*

“ *Lamar was a great teacher at SHS. He was my buddy in the science department. We had philosophical discussions and I had many laughs with him At least 1 time a week he would come to my classroom and straighten my desks and chairs then walk out. Lamar even lead the “balancing equations “ challenge when a bunch of us were on a math and science conference. He will be greatly missed, but not forgotten as I teal my teacher stories*

“ When Keith arrived in Missouri, he cried a lot. I remember swinging him in our porch swing most of the night, and he settled down. I also babysat with Keith, Brad and their uncle Mark. Fond memories of these three.
