“ I had two friends in high school. Keith and Karla. I moved around a lot and sometimes I didn't make friends but Keith wouldn't let that happen. He was a kind and fun man. He will be missed I'm sure.

“ Dear Hazel, Cindy, Ron, and family;
Keith's death, so early, so sudden, is hard to be at peace with. Keith was such a vital guy, such a risk-taker. Now he's plowing new ground again, with Eugene in his presence, and him still in his presence through our memories and the influences he had on us. I hope you can use your memories and tales of Keith's adventures to comfort each other in this difficult time.

Love to you all,

“ Hazel & family: I am truly saddened by Keith's passing. I feel like I've known Keith as long as anyone since moving into the area. He was such a part of our family for so many years. I will always remember the fun. I don't believe I was ever was around him when there was not a smile on his face. My love and prayers to you all!
