“ *Debbie and Jane; Mom was so saddened to hear of your Father's death but happy he could be released to join your Mother whom I know he missed greatly. Personally I will always remember the card games your Mom, Dad, Les and my Mom played almost nightly at Sun City West. It was a hoot whether I joined them or just watched. Our prayers are with you. “ *I am so sorry to hear of your dad's passing. He was a great man who had a passion for other people. I owe him a great deal since he was the one to get me started in my career. I enjoyed being a delivery boy for him at Medical Arts during my college days . I'm sure both of you have forgotten, but I played Santa Claus for both of you and several of the Doctor's kids a couple of years and had a great time doing it. Getting back to your Dad, he helped me get my first job when I got out of College, with Merck and Co.. That job lasted 36 years. I have been retired for 15 years and am living in Banning Ca.. My wife (Jodie) and I visited your dad and mom several times in their home in Sun City. We enjoyed those visits very much as they brought back old times. Ken is dear to our hearts and will be missed. May God bless your families. Ken's delivery boy ART WELCH.*

“ To Janie, Scott, Debbie, Megan, Amanda and extended family: We were so sorry to hear of your loss. Bob lost his dad at the Veterans Home and it was made somewhat better by seeing what great care they gave him in his final years. Hope that was your case, too. Your dad was a great man with many accomplishments. He lived a good life and you will have many memories to sustain you. I will always fondly remember him, especially for his gracious way of putting up with all our crap back in the day! Wish I could be at the services, but I have been under the weather this week and am unable to attend the visitation and funeral. However, our thoughts will be with you and your family in the coming days and weeks. Please let us know if there is anything we can do for you, Love Bob & Sue

“ While I only met Ken a few times, I know he was a great man. I respect him for his leadership in our profession and ascent to the highest position in NCPA. Charlie West, who is my mentor, always spoke of Ken in admiring tones. He has several times told me of what a great family man he was and that he possessed great integrity. I am sincerely sorry for your loss. You will be in my prayers. He will be missed by all and long be in our conversations and thoughts. Mark Riley
