“ I was shocked to hear of Kim's passing. I knew her some time ago when we worked together at P&G. She was always such a bright light with a beautiful smile. Kindness came easily to Kim. That's what I remember most. The world was a better place for having her in it. All my condolences and prayers.

“ George and Barbara- I am so saddened and shocked with news of Kim's passing. From 2nd grade to sophomore year, we were inseparable. I have tried to reach out over the years and never had any luck. I sure loved Kim and will always treasure those young days of fun. Love to you and the Jones family..... RIP sweet Kim.....

“ Kim was a beautiful baby, all smile. Kiim will be missed deeply and our hearts are sad. We will always remember our last family reunion with her, playing baseball, she was a good outfielder. She loved to have a great time. And she still had a great smile. Go rest high on the mountain. Love

“ I am so sorry for your loss. She will be greatly missed. I thought about her often wondering where she was and what she was doing. We were 3 days apart in age. Some memories I keep fondly is that she use to go by Kimberly and I went by Kim so the teachers could tell us apart. She was always nice to me and one of my very best friends. I am truly sorry for your loss.
