“*Mary, Our deepest condolences on the loss of your "Little Kim"! I refer to her as little because she was just a child when I last saw her & I remember her beautiful smile & how sunshine radiated from her presence always. She & Brian were two of the sweetest, most well behaved children when you came to the shop & both joys wherever they were. God Bless you all & please convey our deepest sympathy to Brian, Eddie, & all who loved her. Heaven has gained another Angel, one that brightened this world with her radiant smile!*

“ Mary, Ed and Brian - First, let me say how sorry I am for your loss. Second, let me reintroduce myself...I formerly lived in Kelso (Hwy 61) and was hired to babysit Brian and Kim while you and Ed went out dancing. I remember the good times we had eating popcorn, playing flash cards and just hanging out. Kim has always held a special place in my heart and I will be forever grateful for what she taught me at the young age of 14/15. Her smile/laughter was contagious and will be greatly missed.

“ We are so sorry to hear of your loss. Our son Matthew Dickerson attended Parkview State School with Kim. I remember her big smile and her picture brought back memories of her happy face. Hopefully the memory of those happy smiles will help you through this difficult time.

“ My deepest sympathy goes out to your family. It's been a long time since I've seen Kim, but I remember her as a child at St. Augustine Church in Kelso and one thing you could always count on was being greeted with her beautiful smile. I can only imagine how big that smile must be now as she enters the gates of heaven. My thoughts and prayers are with your family.
