“ I am sorry to hear about your loss. She was a very special person to me. I worked with Lana at Dr. Sparkman's office and always admired her. Her character was so pleasant, and she always had such positive remarks to share. She made you feel special. Even to this day, over 25 years later, she still holds a special place in my heart, and always will. May you treasure those happy memories of her. I know she will be deeply missed by so many.
