“ Please bring back Inhale with Steve Ross I used to do it with my mom every night, and he is so far the only yoga instructor that doesn't drive me insane! I need to do yoga but cant seem to unless I can have fun with it, I would settle for even a DVD <http://nbpnls.com> [[url=http://matupplt.com](http://matupplt.com)] [[link=http://ukgiujnqpj.com](http://ukgiujnqpj.com)] [ukgiujnqpj](http://ukgiujnqpj.com)[/link]

“ Howdy just wanted to give you a quick heads up. The text in your arctlie seem to be running off the screen in Firefox. I'm not sure if this is a format issue or something to do with web browser compatibility but I figured I'd post to let you know. The design look great though! Hope you get the issue fixed soon. Many thanks
