“ My deapest sympathy for the loss of your loved one! I am Rufus and Kathleen Kluesner's youngest daughter. I remember Larry when I was a young child; he used to visit our family home on Brookwood Dr. My fondest memory of Larry was that he used to play Santa for us three girls, when we were too young to know any different. I remember one year at christmas when santa came to visit- I said to my father "Santa sounds a lot like Larry Brown". Though I don't recall exactly what my fathers' response was, I do remember the look of dispare on my mother's face; 'how do i respond to that". He was always such a jolly gentleman, and although it has been years since I last came in contact with Larry, I remember him well from my childhood. Once again, my deepest condolences!

“ *Uncle Larry has been such an important part of my life. As a child I loved his patience and fun loving spirit. As an adult I could always count on his strength, his love and his honest advise. I will deeply miss him.*
