“ He was my patient not too long ago. Confused at first but he progressed so much! I definitely took to him, and was proud to see how much he progressed throughout the next couple of days. He was very sweet, & funny! Heartbreaking to hear. May God give strength to your wife and family. And Anytime she rides them horses she feels your presence with her ❤️🙏🙏

“ Loretta, Mike and I are so sorry to hear about Larry's death. We have many fond memories of trail riding and camping with you and Larry. You and Larry camped with us when Mike and I got married at Fourche Creek, April 2010. That was one of our best memories of you and Larry, and all the other good friends that came to the wedding. Time sure passes quicker than we would like. I pray you are doing well. You are in our prayers.
