“*Connie, My condolences to you and your family. Larry's service to MVTH went way beyond his service to the Board of Directors and attending our annual horse show. He truly loved helping with lessons, interacting with the riders and of course, helping with the management of the horses. Your two wonderful horses, Desi and Nav became beloved trusted friends to many of our riders. Larry's quiet, thoughtful, kind way of advising and counseling was greatly appreciated by me and all who new him. Thank you for sharing your lives with MVTH. You are in my prayers. Betsy Rigdon*
