“ I remember everyday for 5 years and more than that I got to wake up to Papa. I love him so much and I will never let those memories of him. There are so many memories of him that I can't even say all of them. I am Larry's granddaughter Kyleigh.

“ It has been many years since Janice and I moved away from Cape. There were many memories we will always hold on to and many friends we enjoyed special times with and our time spent with Tammy and Larry and our group of friends during our time in Cape was the most special. Those special cookouts, camping trips and weekend get togethers almost always included our kids and we got to watch them grow up into great young adults. Every time I met up with Larry an instant smile came to my face. Our love goes out to Tammy and all of the Popp family.

“ Though I have not seen Larry, or most of the family, in years my heart is broken. I loved listening to him talk about the shenanigans he and my dad got into when they were younger. I know he will be missed and my heart goes out to his family and friends.

“ My deepest sympathies to Gerald, Joe and all of the Popp family. I was so saddened to read that Larry had passed away. He was, at all times, as nice as a person could be. We spent many happy hours together when we were young. I have fond memories of our Webelos den and many other times together. When I'm in Cape, I often drive by the house at Whitener and Caruthers and always think about Larry and those times. To Larry's children, you have every reason to be proud of your father. He was a good person. You are all in my thoughts and prayers.

“ I remember Larry only from the time he was a little boy running around the inside of the root beer stand getting under my feet and asking too many questions. My name was Margie Seabaugh and I worked in the stand around 1963. I enjoyed the time I spent in the stand. I am sure he turned out to be a great person even though I lost track of the family.
