“ I know, I'm a little late to send a message, but if you don't know me, I'm Ava. Her daughter. One of my favorite memories was when one day I had took the gifted test for my school, all though I didn't get in, my mom was really proud of me because I had even got the chance to take the test, so she made us food, we watched a movie, panted our nails, and played animal crossing. Fly high mom.

“ Lauren you are greatly missed. I just want to say thank you for always being a good friend to me. You were one of my biggest hypemen when it came to raising my kids and you always did it when I needed it the most. We had some fun times, we cried, we laughed, we ate good. Keep watch over all of us up there.

“ Lauren trained me to be the GM of Popeyes in Cape. Lauren was a very good general manager and loved her job and team as much as she did her family. Lauren was smart, beautiful, dedicated, passionate, and so accepting. Every day she was a part of my life she guided me and gave me the best advice. Poplar bluff Popeyes will never be the same, neither will her team, myself, or her family. May God welcome Lauren into heavens gates. Prayers for her family and friends.
